SO ORDERED.

Re: *United States v. Randall Harvey*, 17 Cr. 142 January 23, 2025

Dear Judge Abrams:

The parties write to respectfully request an approximately one-week adjournment of the status conference presently set for January 24, 2025, at 11:30 a.m. in the above-captioned case.

Last Friday, January 17, 2025, the defendant was sentenced by Judge Marrero to 116 months' imprisonment in *United States v. Randall Harvey*, 22 Cr. 079 (VM), in which the defendant was charged with one count of being a felon in possession of ammunition. The violation of supervised release pending before Your Honor concerns the same underlying incident. The parties are currently in discussions to attempt to resolve the specifications pending before Your Honor without a hearing. To allow those discussions to reach a conclusion, the parties respectfully request an adjournment of the proceeding presently scheduled for January 24, 2025, for approximately one week. If it is convenient for the Court, both parties are available all day on Friday, January 31, 2025.

Defense counsel consents to this request.

Respectfully submitted,

DANIELLE R. SASSOON
United States Attorney for the
Southern District of New York
